MOTION FOR EXTENSION OF TIME TO FILE OPPOSITION

Moonbeam, Inc. ("Moonbeam"), by its attorneys and pursuant to Section 1.46 of the Commission's Rules, hereby respectfully requests an extension of time to oppose Gary E. Willson's Petition to reopen the Record and Enlarge Issues Against Moonbeam, Inc., served January 11, 1994. Moonbeam requests an extension until February 14, 1994, or 12 days (8 business days) after Moonbeam is required to reply to Willson's proposed findings of fact and conclusions of law regarding the financial issue in this matter.

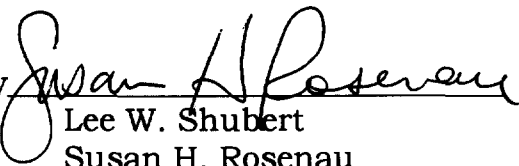

Good cause exists to grant the requested extension. Willson's petition contains a substantial number of legal and factual issues to be addressed. Moonbeam is presently engaged in the preparation of its proposed findings of fact and conclusions of law in this proceeding, and must turn thereafter to its reply findings. In addition, both of Moonbeam's counsel must attend a mandatory 2-day continuing legal education seminar on January 20-21, 1994, which delays their ability to turn to either the reply findings or the petition. These events and the

press of other matters require Moonbeam to seek this extension. The requested extension will not materially delay the resolution of this proceeding.

WHEREFORE, Moonbeam respectfully requests that its time to oppose Gary E. Willson's Petition to reopen the Record and Enlarge Issues Against Moonbeam, Inc. be extended up to and including Monday, February 14, 1993.

Respectfully submitted,

MOONBEAM, INC.
